

***Internal Medicine of  
Washington, LLC***

June 12, 2026

Dear Patients,

We hope this letter finds you and your family well. We are grateful for the trust you place in us as your primary care physicians, and we want to make sure you are always kept informed about changes that may affect your care.

After holding our rates steady since 2024, we will be making a modest adjustment to our fees effective July 1, 2026. This is not a decision we made lightly. Rising costs in staffing, supplies, and operations have made it necessary for us to update our pricing in order to continue providing the quality of care you deserve.

The price changes are as follows, effective July 1, 2026:

**IMW Select \$2000**

- Extended, comprehensive annual physical examination
- EKG
- Comprehensive lab testing associated with the Annual Physical
- Flu shot and tetanus shot when they are due
- Access to same day/next day appointments
- Patient portal through which you can contact your doctor. The portal also gives you access to labs and reports in our EMR.
- Access to nighttime and weekend on-call physicians.
- Extensive review of outside medical records
- Coordination of care with specialists
- Your dependents (< 30 years of age) may be seen on a fee-for-service basis

**IMW Complete \$2900**

- This plan covers all of the services listed above in IMW Select plus 5 additional visits (this applies to in-person and telemedicine visits).

This price change will take effect at the time of your annual renewal. For example, if you paid your annual membership fee in February of 2026, this fee change will not take effect until February 2027. You do not have to pay any extra fees at this time.

If you have questions about how this change affects your specific situation, or if you would like to review your account before the new rates take effect, please don't hesitate to reach out. Our front desk team is happy to walk you through anything.

You may email us at **admin@internalmedicineofwashington.com** with any questions.

At the time of your next office visit, we will ask you to sign an updated membership agreement acknowledging that you are aware of the fee change.

We want to reassure you that our commitment to you has not changed. You will continue to receive the same attentive, personalized care from the same team you know and trust.

***Please note, if you are part of our adolescent/young adult Fee-For-Service plan, this fee change does not apply to you.***

Thank you for being part of our practice family. It is a privilege to care for you.

Warm regards,

*Drs. DiFresco and Fine and the IMW Team*
